

# Available for Adoption

All of the animals available for adoption have been spayed or neutered and are up-to-date on their vaccinations. If you are interested in adopting any of these cats or kittens, please call 301-977-4833.

**ALGAE** - She languished at the shelter for two months being overlooked by people looking for smaller kittens. Algae is very curious, playful and loves attention. She is 2-years old and is black and white. Octopus is her sister!

**CHLOE** - A sweet little girl that was a pregnant stray meowing door-to-door asking to be let in. She is about 2 years old, not very big and loves to be petted. Chloe has been a wonderful mom to her 5 babies (all have been adopted).

**JET** - A very silly cat. Jet is good with other cats, although he prefers to be the boss. This long hair, black male cat has a puffy tail that is kinked every which way. He was found as a stray in a park.

**MAYOR** - A short hair, brown tabby, young adult male found by a police officer in an alley in DC. He is a friendly guy that loves people, loves attention, and loves to look out the window. He's not shy and wants to be in the mix of things. FIV Positive.

**MILO** - Just look at that face! Milo is a young adult Snowshoe mix that was rescued as a stray and had an injured eye. His eye is now in good shape. He loves to give head bumps, and he gets along well with other cats.

**SHIRA** - 6-year-old short hair torbie with white. She has the cutest little meow. Shira is very playful, either alone or with other cats. She is somewhat independent with people. The perfect home for Shira would be with someone who will give her a lot of TLC!

**STUDIE** - A gorgeous black and orange tortoiseshell with white kitten. She is very active, very inquisitive, and very friendly. She came into foster care with her six siblings. She gets along wonderfully with her siblings as well as the adult cats in her foster home. Born in April 2009.

**TORBA** - She loves people, likes attention, is ready to play with anything, and is constantly purring. Torba is a 1-year-old short hair, black and orange tortoiseshell that enjoys the company of other cats.

**TUXIE** - This short hair, black and white male is strong-willed, likes people and likes to rule the roost. He is approximately 2-3 years old and will do best in a home without dogs or small children.
